

NOTRE DAME SCHOOL, BTPS, BADARPUR

Dear Parents/Guardians,

07.03.2020

As we stand on the threshold of another new academic year, it is time to set new goals and initiate new beginnings.

I would like to thank each one of you for cooperating with the school and all the changes that followed the closure of NTPC. Now, the school has its own water and electricity connection and also some much needed renovation of school facilities is under way. This year the school has not increased the fees. It will remain same as last year.
